Open-Air Photobooth

\$600

Allow us to capture an “un-perfectly posed” portrait of the guests at your wedding. We will bring a backdrop that coordinates with the color and theme of your wedding and provide all of your guests with pictures throughout the reception. We provide all props and fun signs. Your guests receive a 4x6 photo, not those little strips that are hard to see. The booth is manned by a professional photographer, so we are sure everyone is ready for a fun-filled picture before we snap the shutter . . . no 3,2,1 “deer in the headlights look”. You will receive a digital link to all images. Couple this with a 4 x 6 frame for a great wedding favor.

Wedding Video

\$1,350

Our videographer will capture every detail of the sights and sounds of your wedding day. From the moment you see each other for the first time on your wedding day to the tears of happiness as you say, “I do”. Your special day will be captured in full 1080p HD in a candid and unobtrusive approach. These brief moments in time will be saved on a Blu-ray disc or a Flash Drive for you and your loved ones to share for generations to come.
